

THE BION KING

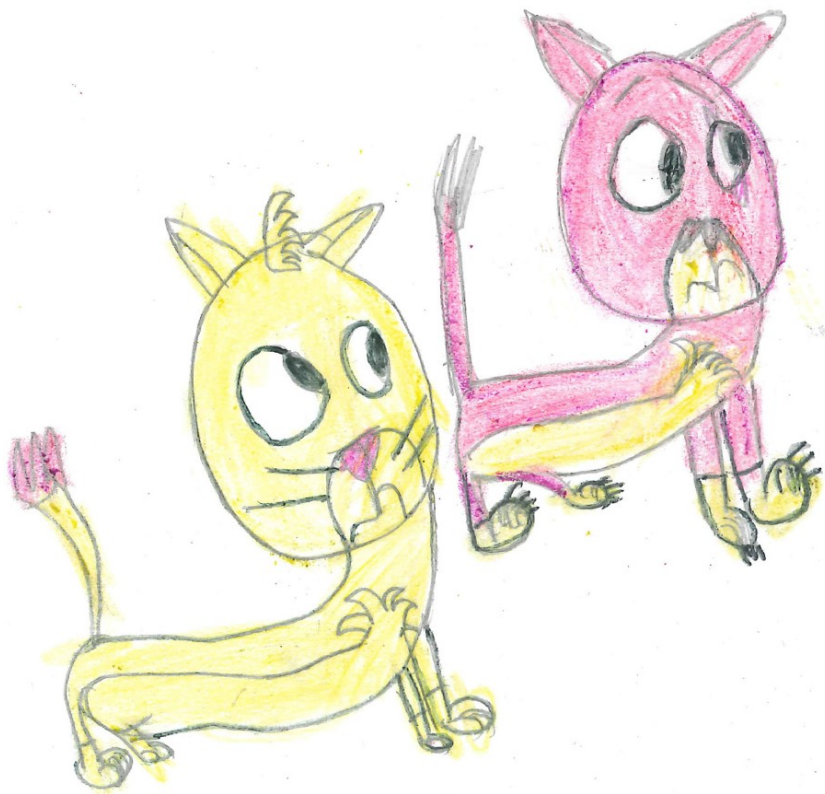

SCAR FULL STORY

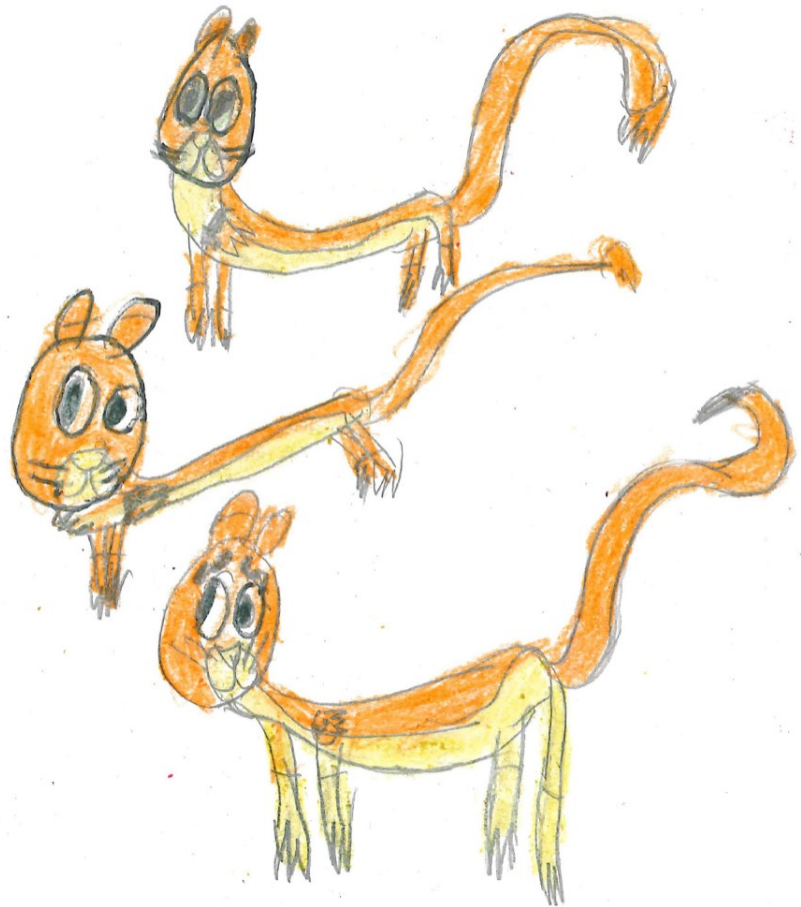

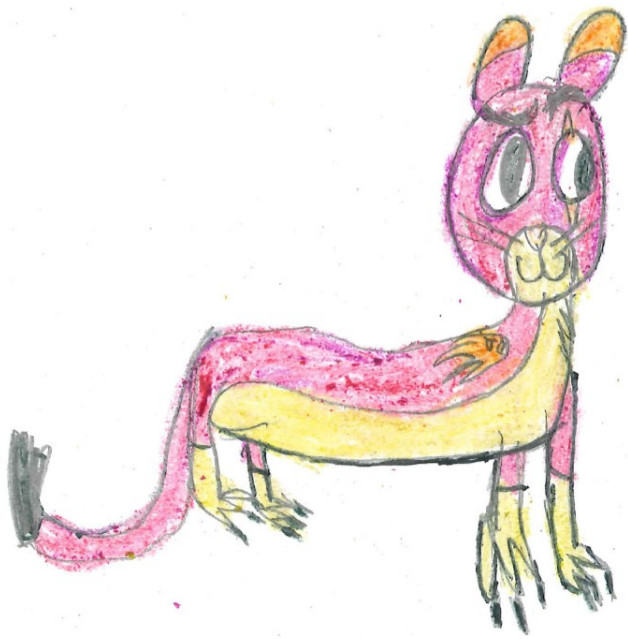

About the author
I am Eganth and I am
7 years old. I love drawing.
I got "amazing artist" award
during my first grade graduation.
Many people made fun of my
drawing. They said "I" was
wasting papers. But I always
knew my dream. To make my own
"The Lion King" book was
"WITHIN REACH"

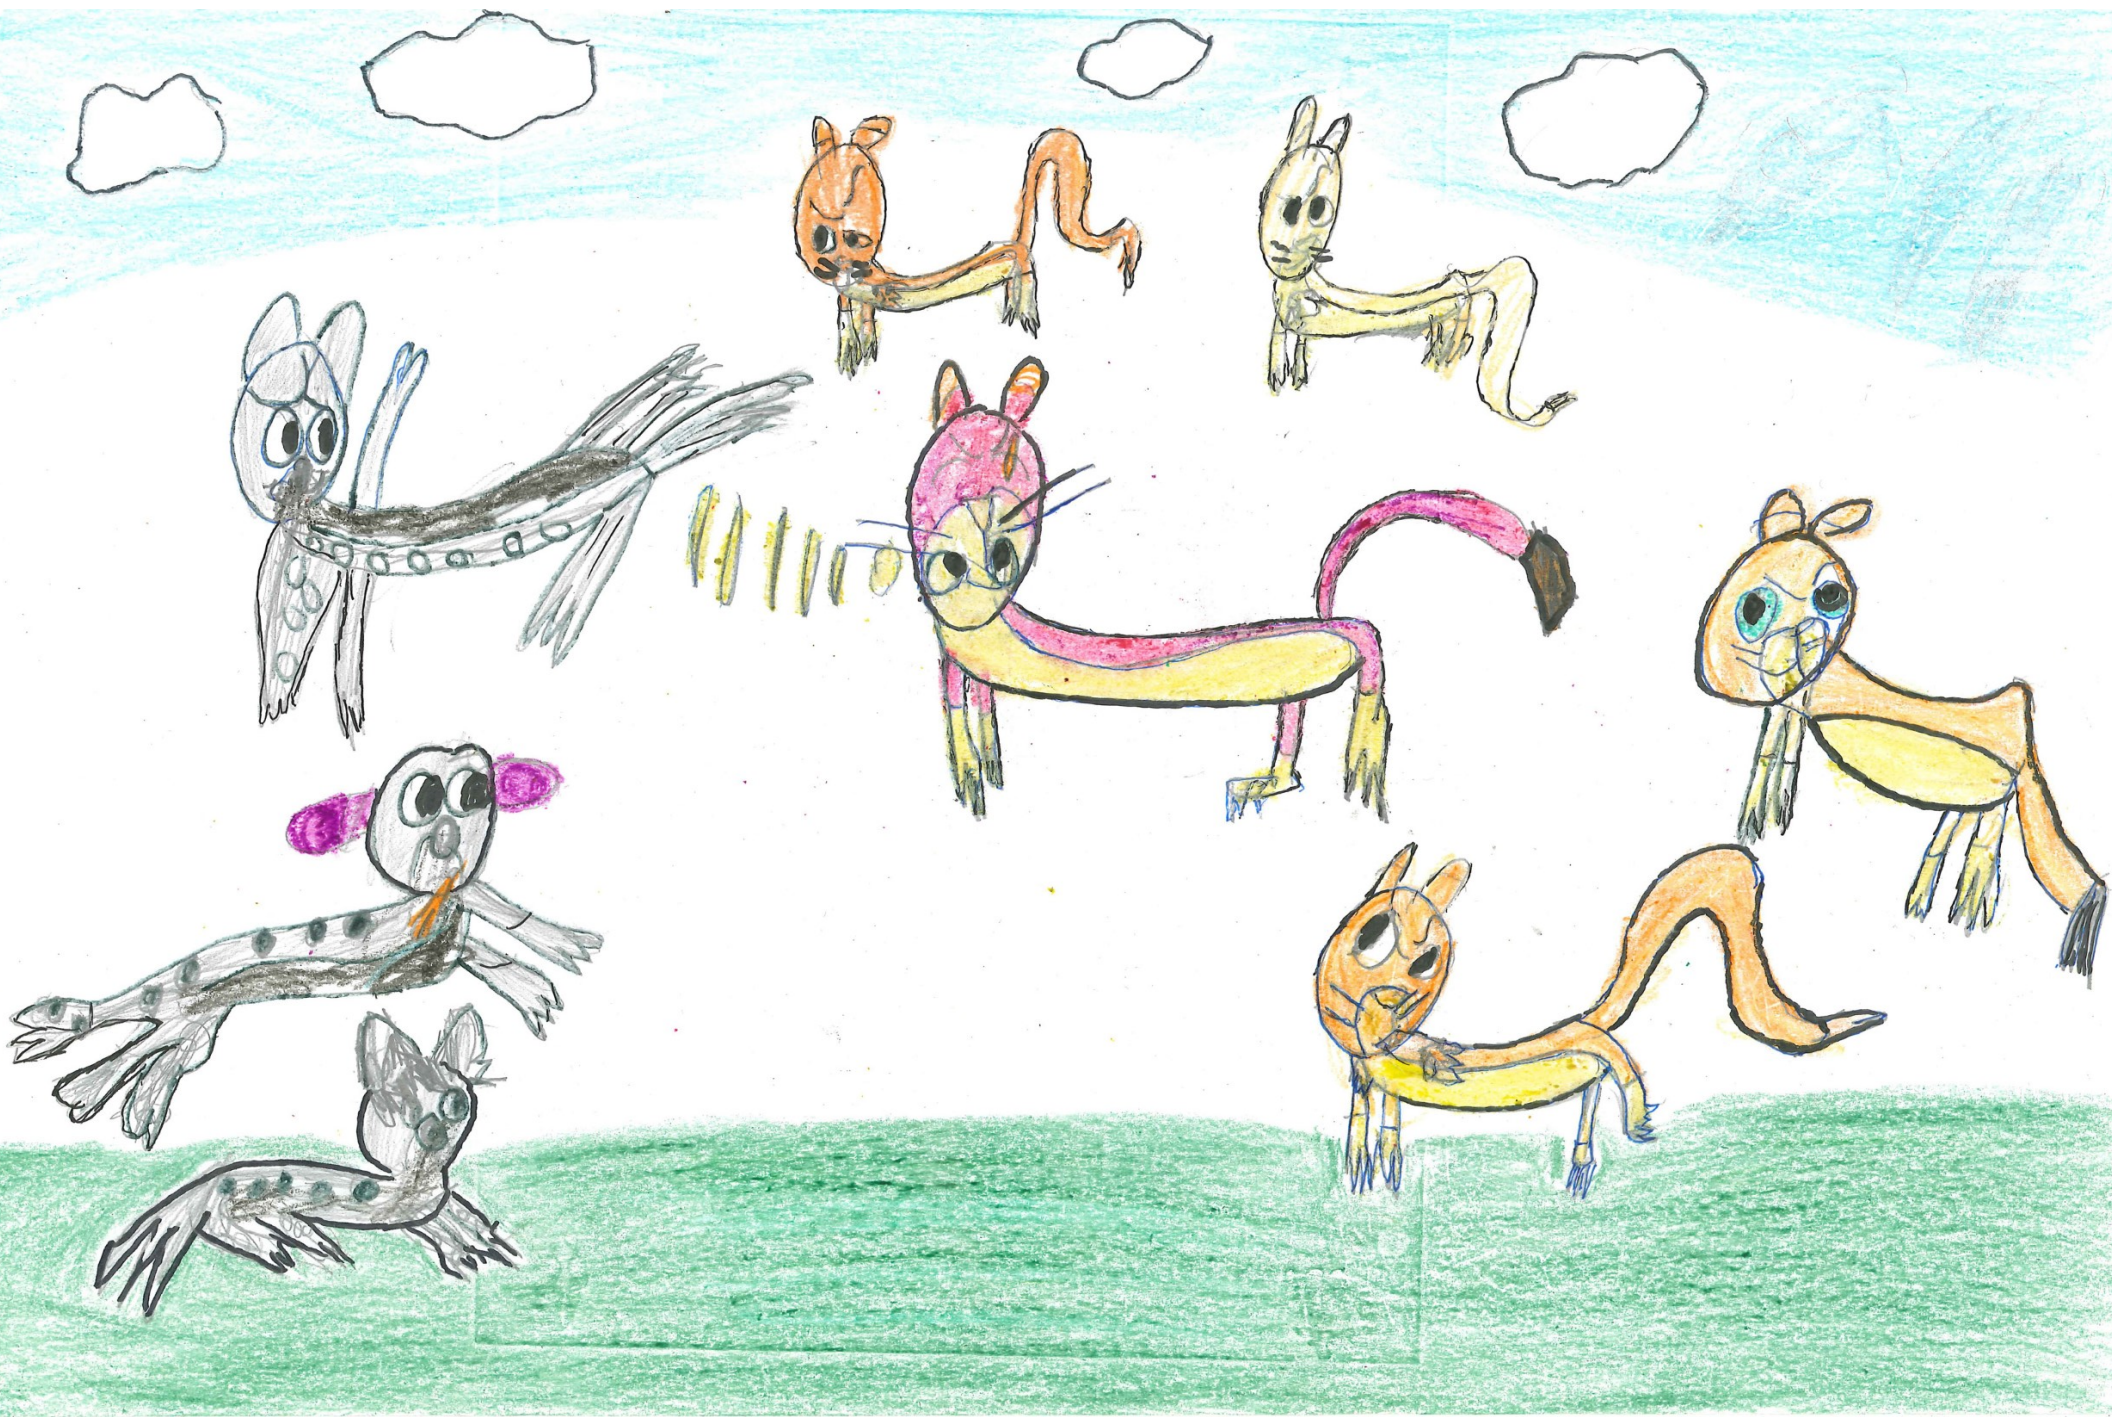

The Lion King

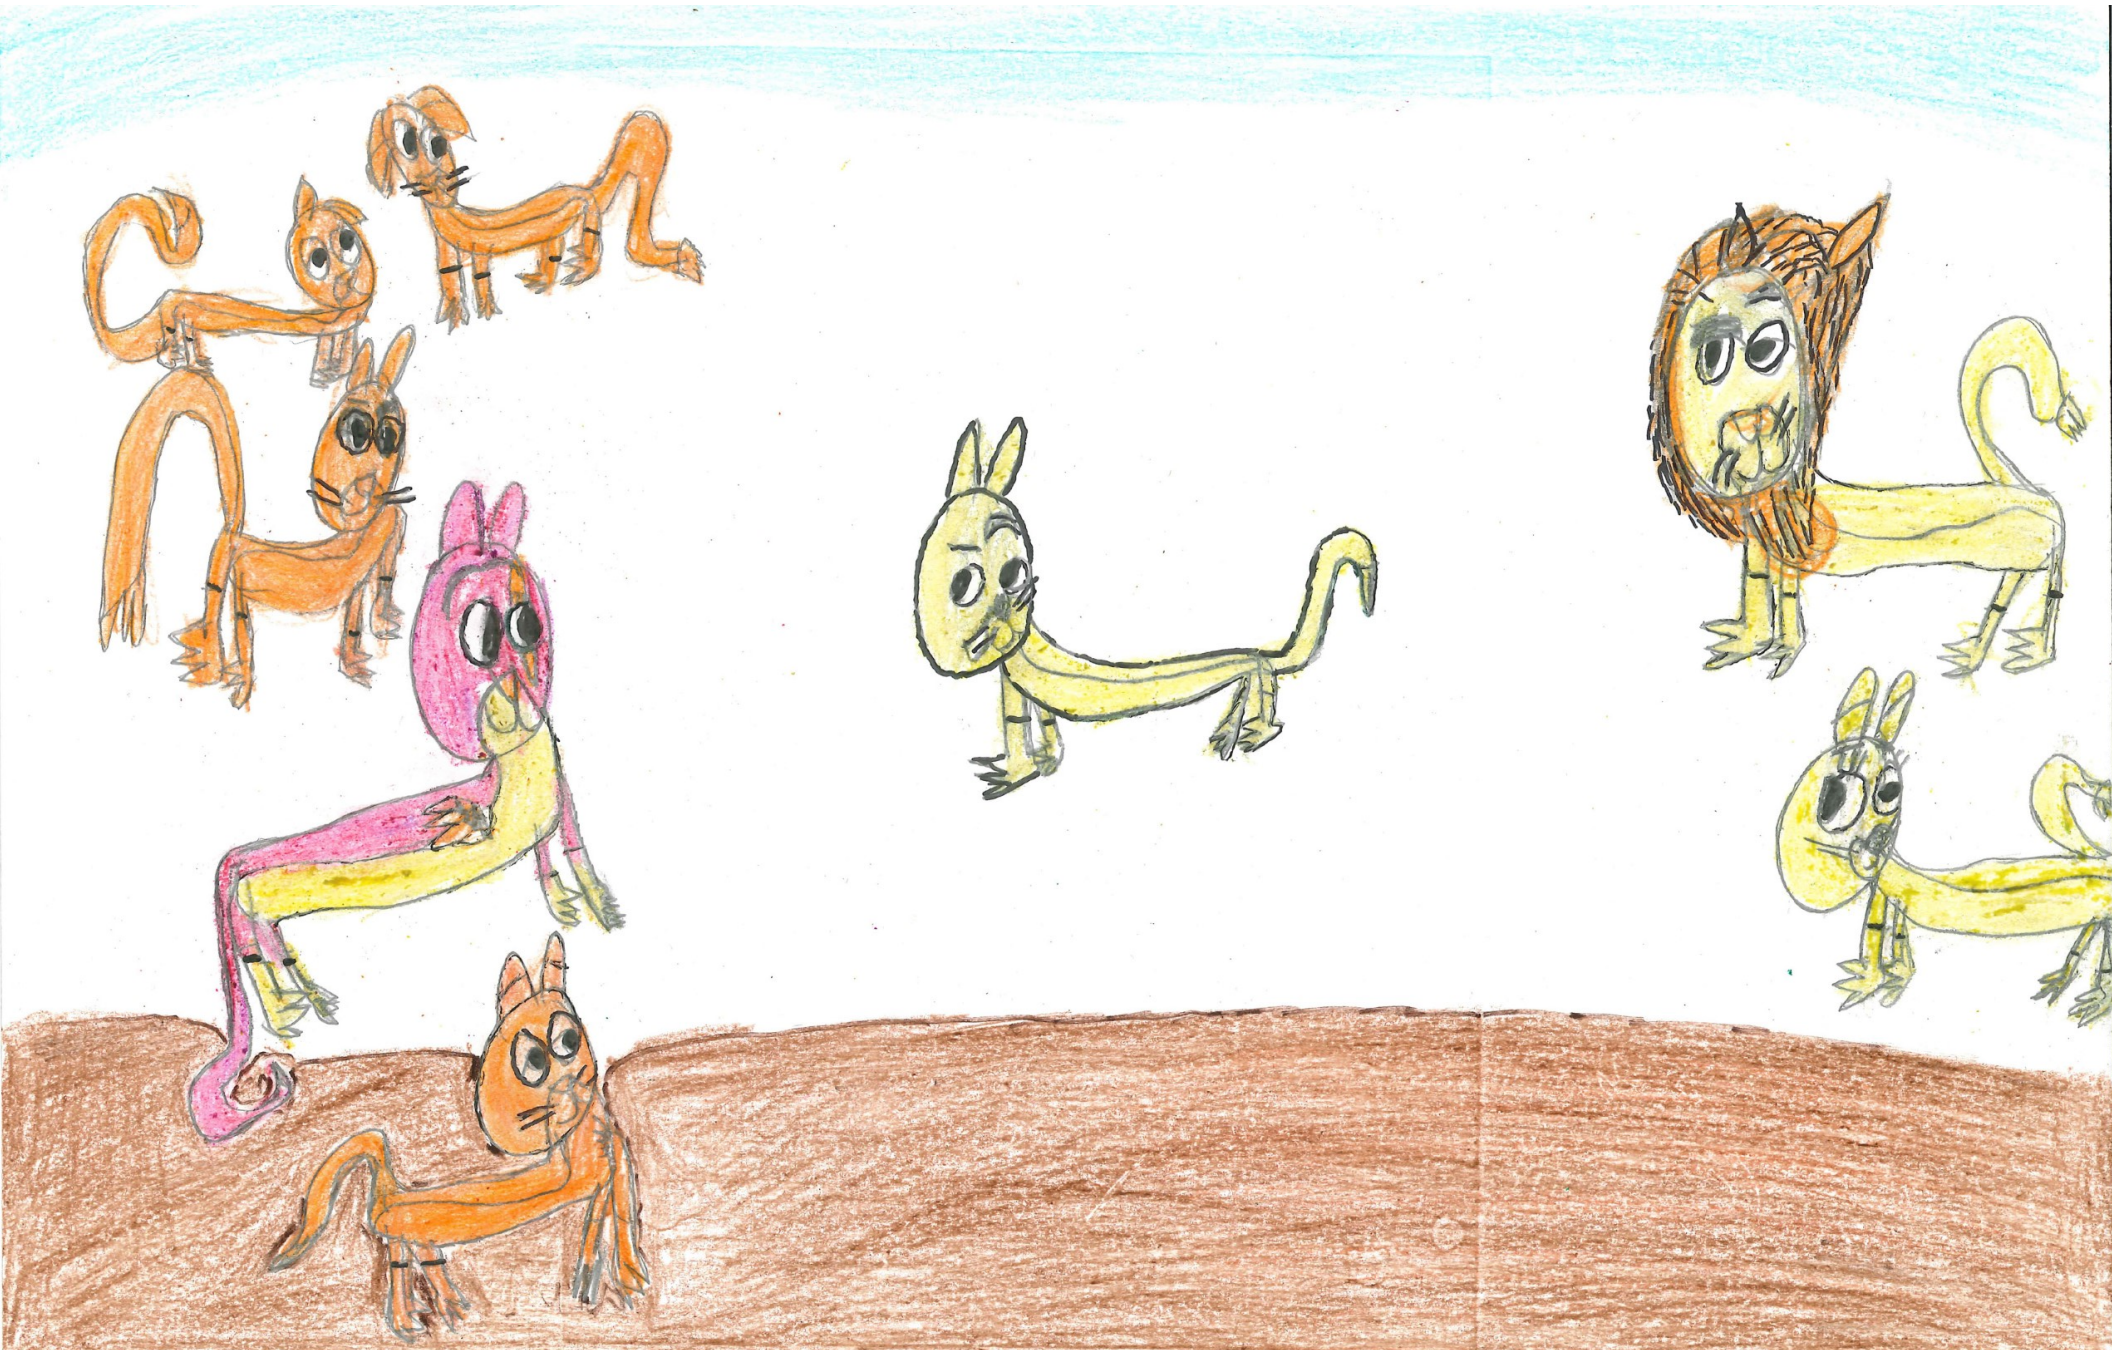

Mufasa was destined to be the next mighty king of pride lands. His younger brother Scar was the leader of the Lion guard.

Scar had the gift of
the roar. Scar's parents
Ahadi and Uru were very
happy when they heard
about the roar.

The Lion guard is made
out of Fiercest, Bravest,
Strongest and Keenest of
sight. They protect the
Pride Lands.

Scar's parents told him
that Mufasa was going to
be King. Scar was furious.

He wanted the help
of the lion guard to
bring down Mufasa.

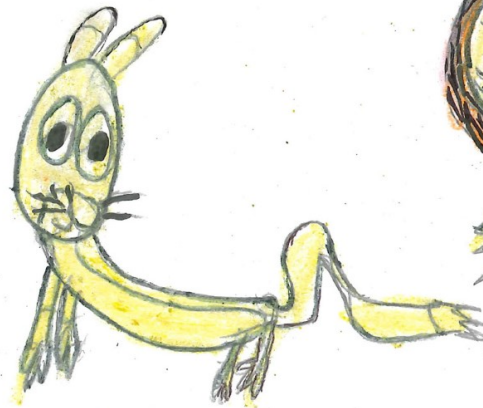

But when the Lion
guard refused, Scar

was furious. Then Scar
used the roar to
destroy the Lion guard.

What Scar did not realize was that by using the roar for evil, he would lose the power of the roar completely.

Scar and Mufasa grew
up together but Scar
was still disappointed that
he lost his roar.

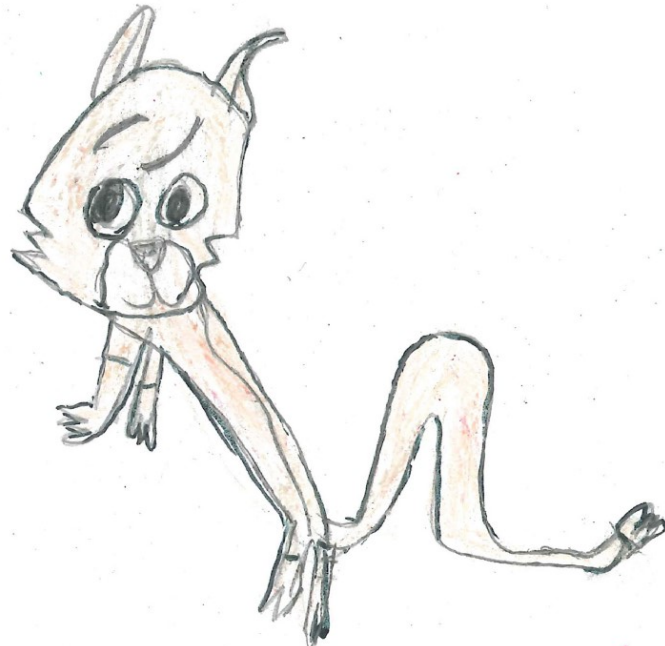

Scar got married to
Zira and had three
kids Kovu, Vitani and
Nuka.

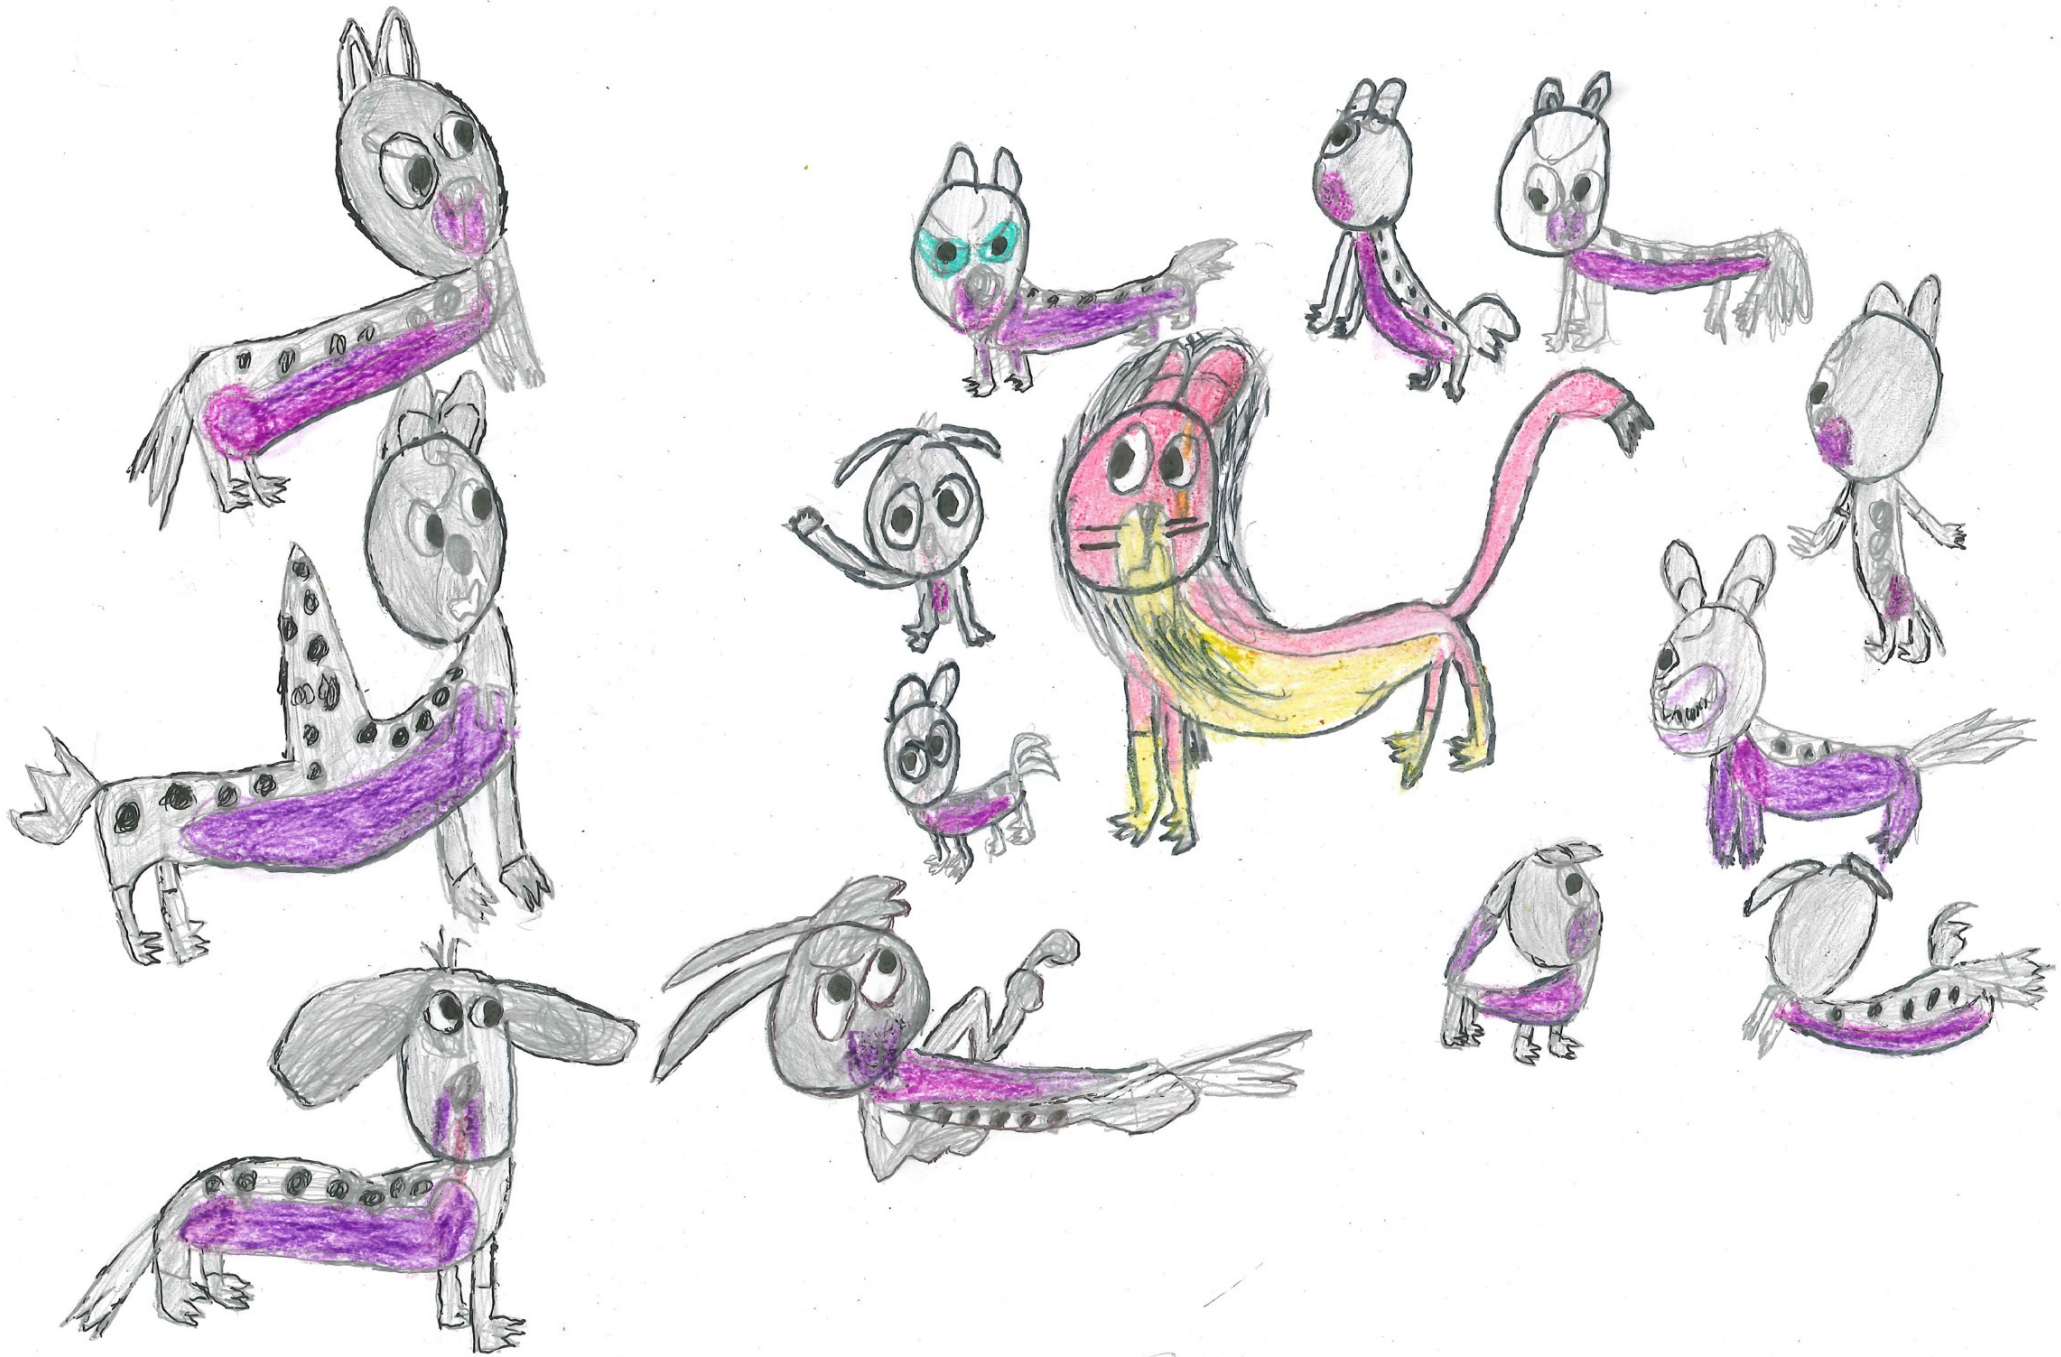

Mufasa married Sarabi
and had a son named
Simba. He was destined
to become the next king.
They were very happy.

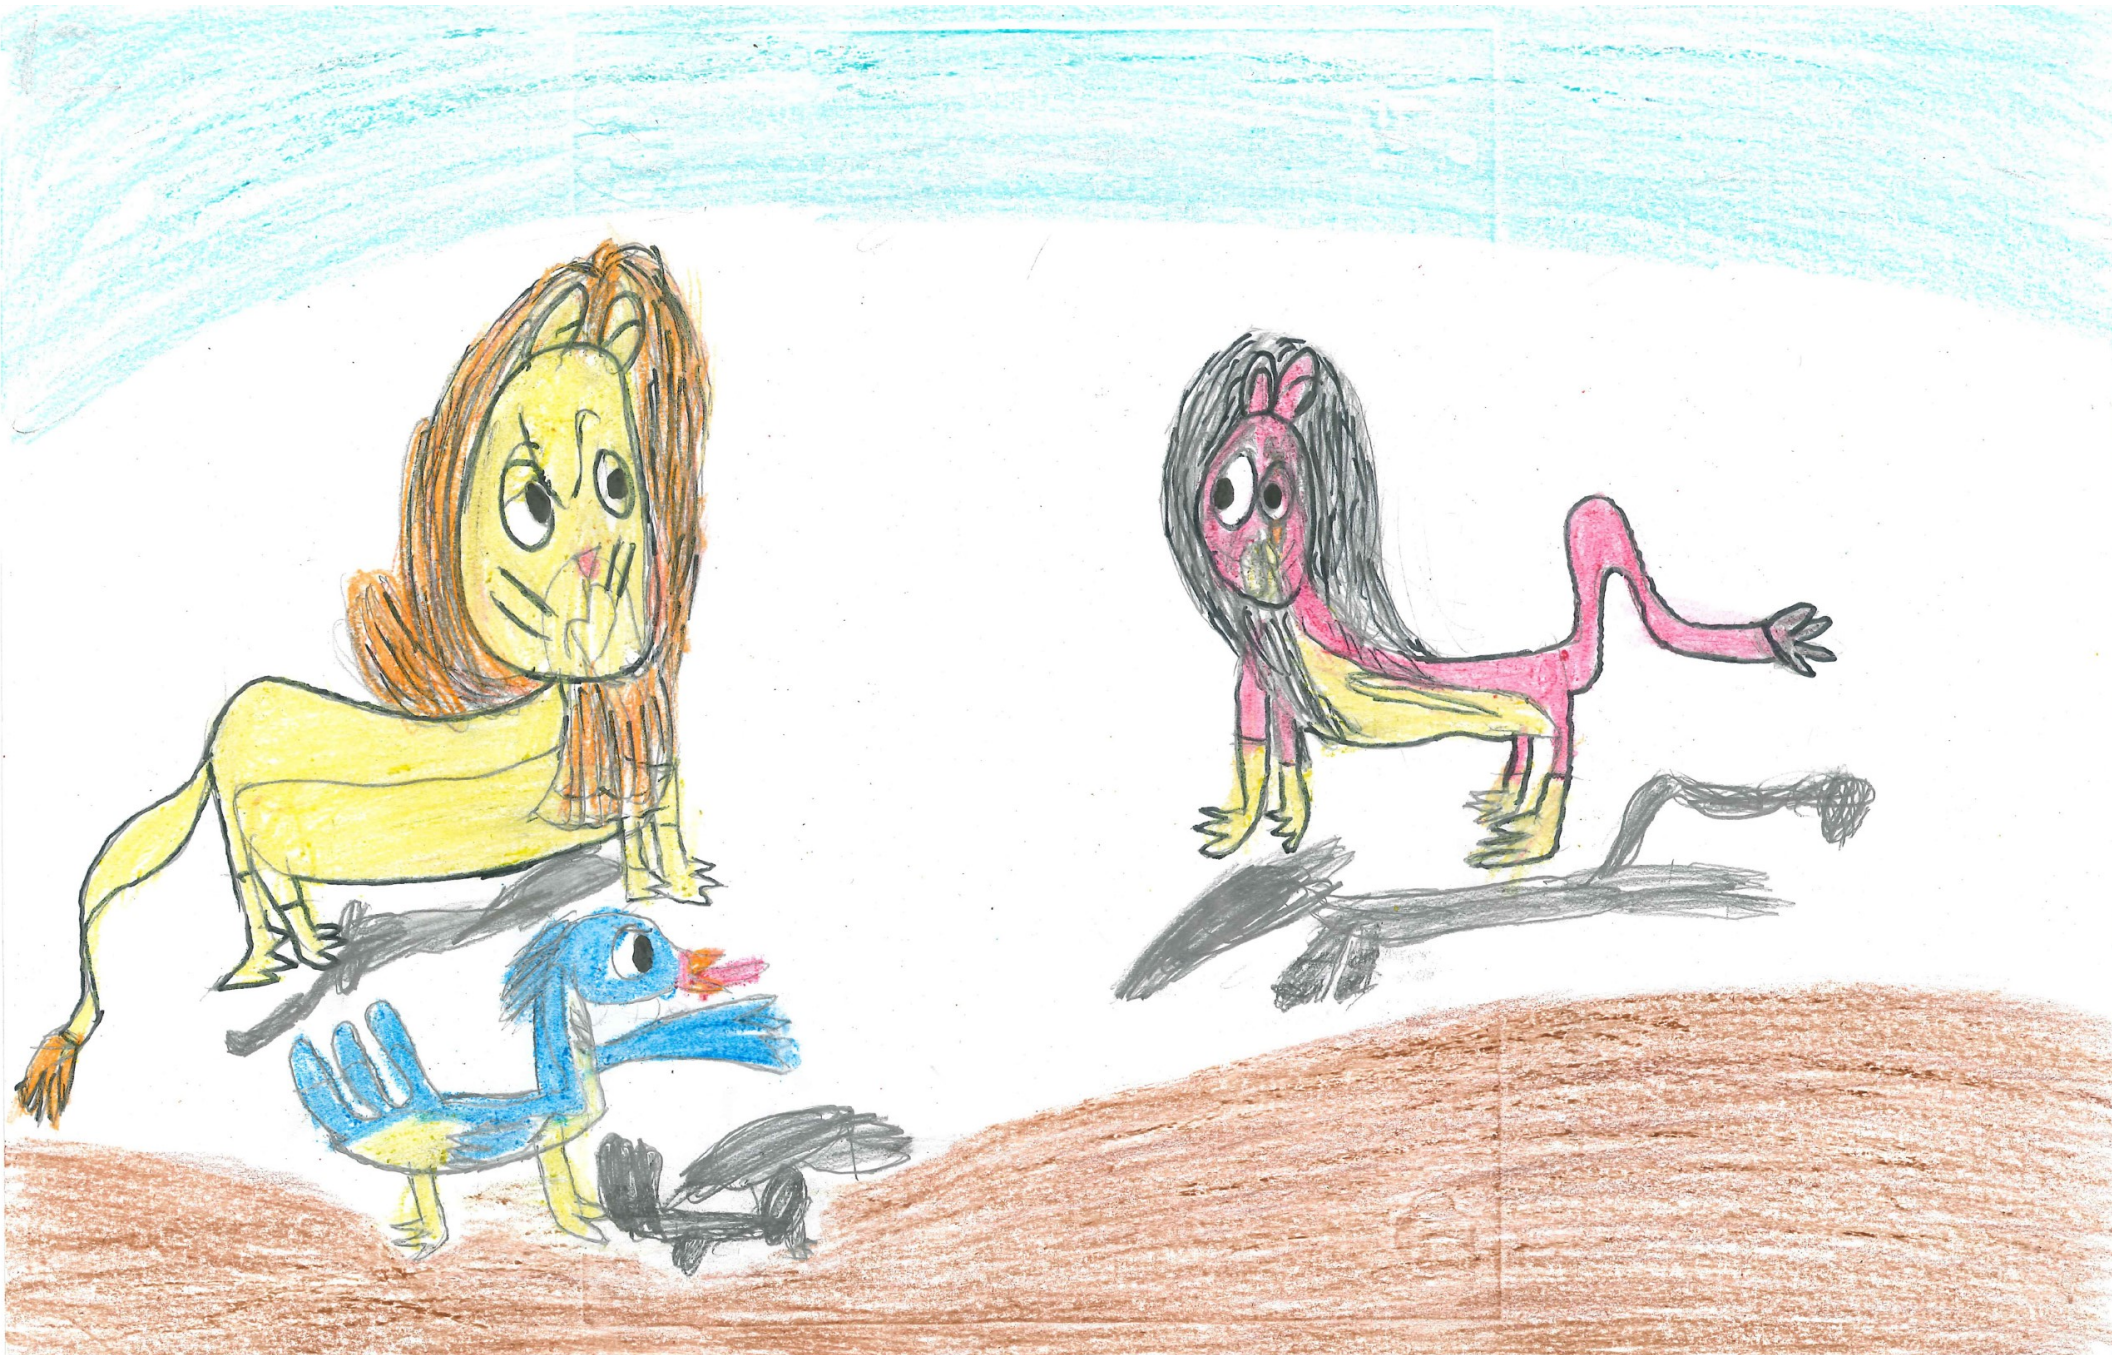

Mufasa and Sarabi
had a presentation
ceremony for Simba. They
were unhappy when Scar
said he forgot. Scar really
did not want to go.

Scar went to the Elephant
Graveyard to get the
help from hyenas Shenzi,
Ed and Banzel to
bring down Mufasa and
be the king.

The hyenas agreed to be friends with Scar. They said they would help to take down Mufasa.

Scar tricked Simba to go to the Elephant graveyard. Mufasa tried to save himself and Simba but Scar pushed Mufasa down from the rock. He was killed by the buffalo stampede.

Scar tricked Simba to run away because he killed Mufasa. He ordered Shenzi, Ed and Banzel to chase and kill Simba. Scar then became king.

Bansel got stuck in the prickly bush. The hyenas

never killed Simba. He

grew up into brave lion.

Rafiki and Nala made the

adult Simba return to the

Pride rock and fight Scar.

Scar tricked Simba into falling down from Pride rock and he told Simba his secret that Scar killed Mufasa. Simba jumped back onto the rock and made Scar tell the truth to everyone.

Scar blamed the hyenas for Mufasa's death. He tried to kill Simba but he fell down from the rock and died.

Simba became the King. The hyenas were banished from the kingdom.
